COMMUNITY INFRASTRUCTURE LEVY (CIL):
 Projects may attract the CIL levy payable to the Local Authority as defined in the relevant CIL Regulations.
 If this is the case, the applicant should apply for an exemption on the basis of self-build, an annex, or an extension to your primary residence but this must be done before commencement of construction.
 The applicant must also submit a CIL Commencement Notice before commencement of construction otherwise the levy will become payable without right of appeal.

GENERAL NOTES:
 1. These drawings have been produced for Planning Permission purposes only and are not intended for construction purposes or Building Regulations.
 2. These drawings are produced in order to assist the applicant in their application.
 3. These drawings are intended to be used in conjunction with the Architectural and Structural drawings.
 4. Copyright MB Architecture. All rights reserved.

FINISHES:
 1. All finishes (block type, the type, window type etc) to be a close and sympathetic match to the existing unless otherwise stated.
