Details of the pre-application advice received

Please NOTE. A previous application back in July 2021 was granted with Full Planning Permission on the 9 August 2021. This new application follows the same principles in regards to this development. (Rear elevation)

Due to the increase in building materials and now higher interest rates, we have had to modify the scheme. The new scheme (This application) has removed the need for steel work for the rear application. The clients still need to modify the house to meet their needs and can afford this amended application.

This new scheme adds additional accommodation at GF by converting their garage, and a new garden room has been added into the garden.

Although there are elements to this application which can be achieved through PD we have decided to package them all into a new application.

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No

\* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
