Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **The erection of a 3ft high picket fence sourced from Sandringham Sawmill to match the product used on a gate at number 11 Hunstanton Road. The fence on each side of the rear garden of the property is for safety reasons so children and pets cannot move along the open rear areas of adjoining terraced properties. The fence has a gate each side so the current right of way can be maintained. at 5 Hunstanton Road Heacham King's Lynn Norfolk PE31 7HH**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. Please confirm if you would agree to change the description of proposed works to: "Erection of a fence"
2. Please provide a section elevation of proposed fence to scale of either 1:5; 1:10 or 1:20.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Miss Sandra Homcenko**

Yours faithfully
