| Description of Proposal |
| Does the proposal consist of, or include, the carrying out of building or other operations? |
| YesNo |
| If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions) |
| The Proposals: 1; To amend internal layouts at ground floor by removing a wall to combine the existing kitchen and utility room at the rear of the property, blocking up the existing back door to the side return and lowering the sill to an existing window to form new French doors facing the garden. 2: Insertion of two small conservation roof lights to the rear of the property to suit new second floor bathroom layout and provide light to the landing |
| Does the proposal consist of, or include, a change of use of the land or building(s)? |
| ○ Yes ⊙ No |
| Has the proposal been started? |
| ○ Yes ⊙ No |
| Grounds for Application |
| Information about the existing use(s) |
| Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful |
| The existing C3 residential use of this dingle dwelling house is not being changed, no additional area is being created and we have had preapp advice from Tunbridge Wells that the ground floor works of this application constitute permitted development |
| Please list the supporting documentary evidence (such as a planning permission) which accompanies this application |

| Is the proposed operation or use |
| |
| ○ Temporary |
| Why do you consider that a Lawful Development Certificate should be granted for this proposal? |
| These are small amendments to the rear of a single dwelling house. Following Pre-Application Advice with Tunbridge Wells Borough Council (reference 22/01713/PAPL) we have been advised these do not require a planning application and fall under permitted development. We would like this formalised with a Lawful Development Certificate (please note this advise related only to the ground floor changes, but we understand the addition of two small rooflights to the rear of the property would also fall under permitted developments) |
