The single storey rear extension as well as the gable ended roof were deemed acceptable. While unusual the oeil de boeuf and the long and narrow windows of the extension were also acceptable, and so was the relocation of the front door. The box roof extension was not going to be supported, which is why we have decided to remove it altogether from the application for the time being. We are still trying to come up with a more appropriate design but in the meantime my clients wanted to be able to make a start on the	

single storey extension, should this application be successful.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
