

**Fire Safety Strategy (Part A)
Reasonable Exception Statement**

Site Address	7 Burns Close Carshalton Sutton SM5 4PY	
Description of development	Single storey rear extension	
Statement:		
The current fire safety measures are appropriate and will not be adversely affected by the development.		
Justification:		
The extension enlarges 2 rooms to the rear of the property and does not affect fire safety. In fact new patio doors into an opened up kitchen will facilitate escape directly into the garden from the kitchen.
