Details of the pre-application advice received

After consultation and a site meeting with the Principal Conservation Officer, Mr Roderick McDonald his reply was as follows:-

"I think we are certainly on the right lines, the scale, plan and form look to be there or thereabouts. The proportions will need to be spot on, and I can only judge this with proper drawings, but provided authentic classical proportions are followed, then shouldn't be too much of an issue. I don't have any concerns about the cupola/clock, however, this must be authentically detailed and scaled – we don't want to see some poor standard replica.

Materials etc. are fine."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

 No
