**Site: 61 ROYAL HILL, LONDON, SE10 8RZ**  
**Applicant: Mr David Quarmby**  
**Proposal: Installation of through floor lift**

I acknowledge receipt of your application in respect of the above which was received as valid on 03 January 2024. I may have changed your description of the proposal to make it more clear, but if you are not satisfied please let me know.

I have until 28 February 2024 to deal with your application. If you have not been notified of any decision by then you can appeal to the Secretary of State for the Environment under section 78 of the Town and Country Planning Act 1990 (as amended). We use the information provided to us to make decisions about the use of land in the public interest. Some information provided to us we are obliged under the regulations to

make available on planning registers. This is a permanent record of our planning decisions that form part of the planning history of a site.

### **How we share your information**

We will make details of planning applications available online so that people can contribute their comments. We will sometimes need to share the information we have with other parts of the council - for example to establish how long a building has been used.
