## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

- The application propose internal alterations to the existing first floor flat, re-instatement of the original opening to the front elevation, and the replacement of a double glazed door to the front (non original with a new double glazed slimline timber french door, and replacement of a single glazed door with double glazed timber unit to the rear).
- It is proposed to replace the existing combi boiler serving the first floor flat with a electric boiler system to improve the sustainability of the flat.
- The application proposes to re-route the existing plumbing from second floor level to first floor and then raised ground floor to minimise and reduce the boxing in, by joining the existing run to reduce the drop ceiling/boxing in.
- The Application also propose to add a second door to the lobby and communal entrance at raised ground floor level.
