Subject: External: Application DC/090658 - Discharge of Condition 55 (Archaeology Information Panels) - Stockport Interchange

Good afternoon Jeni

RE: Application DC/090658 - Discharge of Condition 55 (Archaeology Information Panels) - Stockport Interchange, Chestergate, Stockport SK1 1NP

Thank you for consulting with GMAAS on the above application to discharge Condition 55 for Phase 3 of permission DC/081389. The application is supported by details of the three information panels, the artwork for which has been designed by Salford Archaeology in consultation with GMAAS and the Conservation Team at Stockport Council.

I am pleased to advise that the details submitted fulfil the requirements of Condition 55, which can now be discharged. I very much look forward to the information panels being erected in due course.

With kindest regards

Ian
