Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The 2 front windows are rotten and have holes in them where rain water is coming through into the house. I want to replace them with exactly same style of window but maybe in hardwood. I have spoken to Jamie Wignall about the possibility of using heritage glass which he says will be okay. The carpenter says the windows are not fit to repair and the bottoms and sides of the windows are rotten and the tenon joints are decayed.
