Details of the pre-application advice received
We submitted our initial plans to Mr Rathor and a pre-planning telephone call was undertaken. Further plans were issued, after Mr Rathor's request for more detail on 17 August 2023. These plans were to be discussed internally. Further supporting documents and photos were issued to Mr Rathor on 20 August 2023. On 17 October, we received confirmation that further discussion of our pre-application had not been completed but would be so completed within a few days or so. As we have heard nothing further in the last 8 weeks and it being 6+ months since pre-application, we have not received any objections to our proposals and therefore, we are proceeding to submit our planning application.
