Re: Tree Application works for Melinkey Barn, Cove Hill, Perranarworthal, TR3 7QH

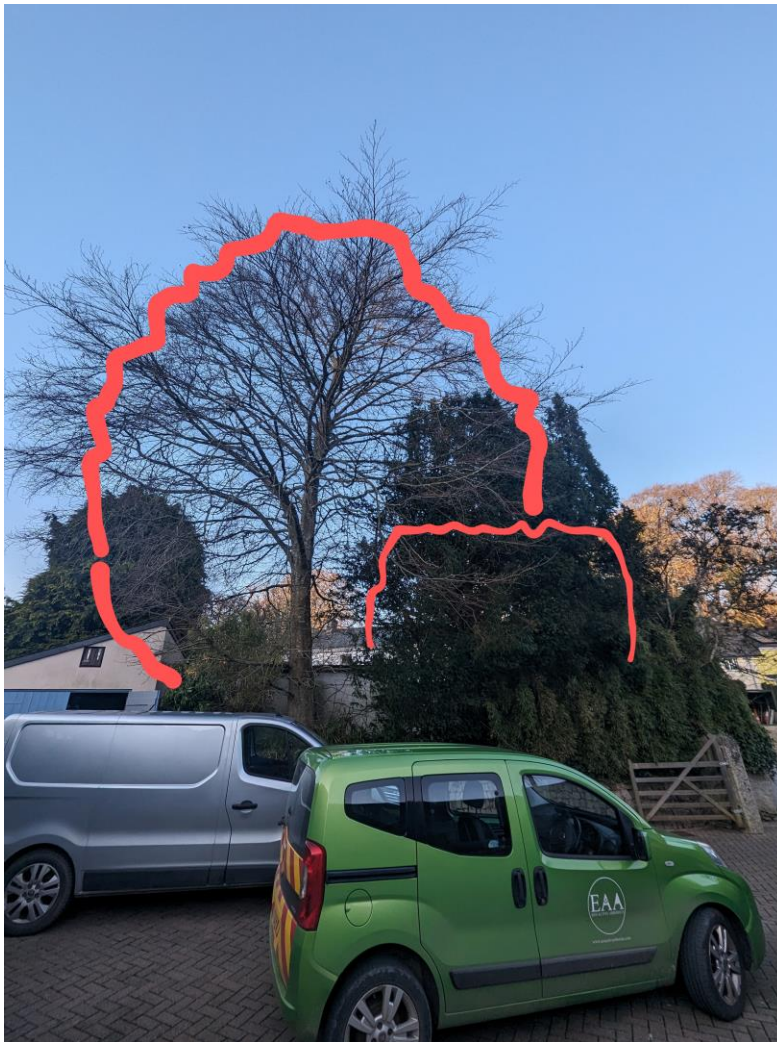

Please see map below with tree numbers and works application details.

T1 BEECH – Crown reduce tree by 1.5 metres all-round. Reducing height from 12 metres to 10.5 metres and spread from 8 metres to 6.5 metres. The tree is encroaching on neighbouring properties and roofs. Works are to manage crown in a more compact form.

T2 YEWE - Reduce tree in height by 2.5 metres and spread by 1 metre. Works are to manage tree in a boundary hedge form and to encourage thicker lower growth to improve boundary screen.

(BELOW IMAGES OF TREES WITH SUGGESTED PRUNING AMOUNT ANNOTATIONS)

Should tree work proposals and application be granted all operations would be carried out in accordance with British Standard 3889 2010 Tree work – Recommendations.
