To Whom it May Concern

Keepers Cottage, Tidpit, SP6 3JR

I have lived in the area and we have farmed the land adjacent to Keepers Cottage since 1963, in partnership with Longford Estates.

In my childhood, Keepers Cottage was occupied by Percy Waterman, the keeper on the West Park shoot. The paddock next to the cottage on our land is called 'Percy's Water Meadow' in his memory.

I can confirm that the area on the plan marked in hatching to the south west of the stable block has been part of the cottage garden used as a vegetable garden for as long back as we can remember.

Please contact me by telephone if you require any further information regarding this matter.
