Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Following the Local Authority's approval of applications 21/3022/F and 21/3023/A, in December 2021, the approved BT Street Hub unit was installed. However, we were then contacted by RGO, who intend to undertake public realm works on Powis Street. In order to facilitate the realignment of a new kerb-line, RGO requested that we adjust the location of the Street Hub in order to better fit the surrounding redevelopment. As such, we propose the relocation of the Street Hub unit of less than a metre from where it currently sits (400mm to be exact). The Street Hub is already in situ, and has been since September 2023. It is therefore anticipated that this minor relocation of the Unit, to assist in public realm improvements, will result in zero impact on the streetscene.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We wish to supersede the approved planning drawings with new, amended drawings, showing the slight relocation of the approved Street Hub
