

Householder Planning Application

43 Reddicliff Close, Plymouth, PL9 9QJ

Mr & Mrs Borscho - January 2024

Planning permission was granted in May 2020 to provide an additional storey and a single storey rear extension. Due to Covid restrictions it was not possible to undertake the works and the permission has now lapsed. The details of the proposal are exactly the same and are submitted with this application.

The previous conditions are still applicable to this scheme and ensure compliance with the same development plan considerations.
