

Proposed Signs

Green background
 White lettering with 10mm black outline
 Font – Rockwell Condensed

The colour scheme of the panels to be the same across all three panels;
 The text font to be the same across all three panels;
 The wording must be as the drawing and located centrally within the panel;
 The panels to sit within the extents of the existing fascia boards and not extend beyond them and must not obscure the detailing above or below.
 The sign manufacturer to measure to ensure the above.
 No lighting to be used.
