

Ref: 23/1959/LBC

Existing Elevations (proposed should look the same as existing).

Please note: There will be no change to the Size of the current elevations. The following are annotated photographs of the current elevations and notes regarding how these would look after the work.

Existing Elevations:

Front Exterior of Building:

Please note: The render on the labelled part only would be removed, and the original building exposed. The underlying wall appears to be sound and in good condition as far as can be ascertained. This exposed original wall will be painted white to match in with the rest of the building.

Rear exterior of building:

Failing render to be removed. A chunk of this has now fallen.

Failing render to be removed
