**570900 Sainsbury Midhurst Tree Works**

- Overhanging trees on boundary adjacent to service area
- P1 - Damage caused to local resident's sheds.

5m uplift to 1no Oak tree T1 on the entrance to service yard.

Reduction to 1m height of Elaeagnus and Mahonia shrubs and weed bramble vegetation including width reduction to ensure free and clear access to resident garage adjacent to service yard entrance.

Sectional fell to ground level and remove 1no Sycamore T2 and 1no Willow T3 with heavy leans growing over residents' gardens.

Carry out 50% sectional pollards to 3no multi stem willows T4. The team will achieve these works from ground level using extending pole chainsaws and extending pruning loppers (5m) AND by using tree climbing and LOLER equipment and practices.
