Dear Planning

Further to your letter regarding the above application I would confirm the following :

1. I attach the required CIL form

2. I have labelled the floor plans with scales shown

3. I am happy with the change of description

4. I attach 3 plans -

20/21/093/1/A - being the original existing house plans

20/21/093/2/D - being the newly implemented extension approved under 21/0314/FFU

20/21/093/2/E - being the proposed works with the garage altered as per this LDC application

I trust this now enables the application to be validated.

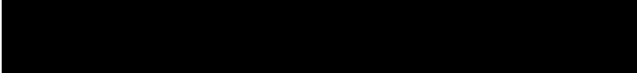

Kind regards,

Clive Milburn
