Re: Wychwood Asbestos Survey

To: Rob Pearce

9 October 2023, 15:34

Dear Rob,

As the property is due to be demolished a full R&D Survey is required which will require destructive inspection.

This can only be undertaken if the property is vacant and unfurnished.

If we undertake the survey whilst the property is still in use there will be limitations to the extent of the survey and no destructive inspection will be possible.

Therefore I really think it's best to wait until the property is vacant. Do you have a date yet when it will be empty?

If you have any queries then please do not hesitate to contact me, I'm not in the office today, but can be reached via email.

Kind regards
