Details of the pre-application advice received

The original contractor advice and information provided in 2020/21 was false information, so to rectify the contractor's errors and to fix my property, advice was sought from quite several different areas: Alex Morris MP, Matthew at the House of Commons, Angie Lillistone NCC, SEP NCC - Energy Projects, the Ombudsman, Lauren Wood at the Department of Energy Security & Net Zero, NCC agreed that EWI contractor (Cocuun) and Andrew Champ SWIGA Director.

The contractor advised that no planning permission was required because the increase in the square footage was eight inches, so the increase in the size of my property was minimal. However, they purposely stated that they made an error with the layout of my property as they did visit to complete the measurements and obtain them via Google. Hence, they did not realise there was a third wall alongside the joint-owned alleyway. The contractor is now uncontactable, and their company is in the process of being struck off with Companies House, which resulted in my request for planning permission down the alleyway for EWI.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
