Details of the pre-application advice received

From the information that you have provided it is my opinion that as the proposed porch would be to a flat, planning permission will be required in this instance. Permitted development rights do not exist to flats.

You will therefore need to make a planning application should you decide to proceed with the proposal. The application forms can be completed and submitted using our Planning Portal service which can be accessed via the following website;
www.gosport.gov.uk/article/1219/Applying-for-Planning-Permission.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
