Details of the pre-application advice received

I had a Planning Advice Appointment telephone call with Mr. Evans on 31/10/23 as I had applied to the Solar Together solar panel scheme and my house is in the Bengeo conservation area and I had read the 'East Herts Conservation Areas - Guidance for owners and occupiers' leaflet. This document mentions solar panels and suggests that if they are going to be visible from a public place then planning permission should be sought.

I do not think this will apply to my proposed panels - I don't think they will be visible - but Mr. Evans advised and requested that I apply for permission anyway just to be sure, as the first Solar Together scheme had caused a lot of planning problems in 2022-23.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No

- Yes
 No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
