notes:  
any discrepancies should be reported immediately  
all dimensions should be checked on site prior to commencement of work  
site/survey based on ordnance survey information provided by prodact systems plc, (www.promap.co.uk) prodact does not guarantee that all past or current uses or features will be identified in the product  
the product does not give details about the actual state or condition of the site nor should it be used or taken to indicate or exclude actual suitability or unsuitability of the site for any particular purpose, or relied upon for determining salability or value, or used as a substitute for any physical investigation or inspection.  
drawings to be read in accordance with the dwelling emission rate (der/ter) calculation. the building must be built 'as designed' meeting the criteria set for air permeability.
