Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We do not feel we require planning as the footprint of the property will stay the same as the original plans. However, we would like to convert the conservatory into a room with brick walls and a flat roof. The original plans from when the house was first built, show this area started as a brick structure with a flat roof, later converted into a conservatory.

The maximum height of the roof will be 3.2m

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

We are able to provide plans from when the property was built to support this.
