

60 Buckingham Way - Tree Photographs to accompany Site Plan (001)

T1 – Existing Beech Tree (sits within neighbouring property no.62)

T1 – Existing Beech Tree

T1 – Existing Beech Tree

T2 – Existing Gingko Tree (sits outside the property on the pavement)

T2 – Existing Gingko Tree

T3 – Existing Common Hawthorn Tree

T3 – Existing Common Hawthorn Tree

T4 – Existing Conifer Trees

Trees on the back of garden are conifers and over 20m from the house.

T4 - Existing Conifer Trees

T5 – Existing Beech Tree

This tree is well over 20m from the side we're carrying out the extension and 17-18m from the closest side of the house on the left.

Existing Beech Tree

Supporting photographs

Bushes to left of house (opposite side to where we're planning extension). Just to show no trees.

Bushes on the side of the house we're going to do extension. No trees.
