Monks Hall Hoxne Road, Syleham, IP21 4LN – PLANNING CONDITIONS

Householder Application - Erection of single storey rear extension, with connecting structural glass link and creation of terracing.

Application Reference: DC/22/01698

Dear Sir/ Madam,

Please find below and attached in order to comply with the Planning conditions as noted.

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: COMMENCEMENT TIME LIMIT

The development hereby permitted shall be begun not later than the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

No action required as part of this submission

2. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard. Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved under Section A, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Reason - For the avoidance of doubt and in the interests of proper phased planning of the development.

No action required as part of this submission

3. ACTION REQUIRED PRIOR TO SLAB LEVEL: LANDSCAPING SCHEME

No development above slab level shall take place until there has been submitted to and approved, in writing, by the Local Planning Authority a scheme of hard and soft landscaping works for the site, which shall include any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees on the site in the vicinity of the extension and indicate any to be retained.

Reason - In the interests of visual amenity and the character and appearance of the area.

Please find attached landscape architects drawings

4. ON GOING REQUIREMENT OF DEVELOPMENT: TIMESCALE FOR LANDSCAPING

All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out in full during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be approved, in writing, by the Local Planning Authority up to the first use or first occupation of the development. Any trees, hedges, shrubs or turf identified within the approved landscaping details (both proposed planting and existing) which die, are removed, seriously damaged or seriously diseased, within a period of 10 years of being planted or in the case of existing planting within a period of 5 years from the commencement of development, shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the approved landscaping scheme has sufficient time to establish, in the interests of visual amenity and the character and appearance of the area.

No action required as part of this submission

5. PART 1 - ACTION REQUIRED PRIOR TO THE COMMENCEMENT OF DEVELOPMENT - ARCHAEOLOGICAL EVALUATION

No development shall take place until a scheme of archaeological evaluation of the site has been submitted to and approved in writing by the Local Planning Authority (including any demolition needing to be carried out as necessary in order to carry out the evaluation). The evaluation shall be carried out in its entirety as may be agreed to the satisfaction of the Local Planning Authority,

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development. This condition is required to be agreed prior to the commencement of any development to ensure matters of archaeological importance are preserved and secured early to ensure avoidance of damage or loss due to the development and/or its construction. If agreement was sought at any later stage as there is an unacceptable risk of loss and damage to archaeological and historic assets.

Archaeological evaluation to be forwarded by post

6. PART 2 - ACTION REQUIRED PRIOR TO THE COMMENCEMENT OF DEVELOPMENT - ARCHAEOLOGICAL WRITTEN INVESTIGATION

No development shall take place until a written report on the results of the archaeology evaluation of the site has been submitted to the Local Planning Authority and that confirmation by the Local Planning Authority has been provided that no further investigation work is required in writing.

Should the Local Planning Authority require further investigation and works, no development shall take place on site until the implementation of a full programme of archaeological work has been secured, in accordance with a Written Scheme of Investigation which has been submitted to and approved in writing by the Local Planning Authority.

The scheme of investigation shall include an assessment of significance and research questions; and:

- a. The programme and methodology of site investigation and recording.
- b. The programme for post investigation assessment.
- c. Details of the provision to be made for analysis of the site investigation and recording.
- d. Details of the provision to be made for publication and dissemination of the analysis and records of the site investigation.
- e. Details of the provision to be made for archive deposition of the analysis and records of the site investigation; and
- f. Nomination of a competent person or persons/organisation to undertake the works set out within the Written Scheme of Investigation.

The written scheme of investigation shall be carried out in its entirety prior to any other development taking place, or in such other phased arrangement including a phasing plan as may be previously approved in writing by the Local Planning Authority.

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development. This condition is required to be agreed prior to the commencement of any development to ensure features of archaeological importance are identified, preserved and secured to avoid damage or loss resulting from the development and/or its construction. If agreement was sought at any later stage, there is an unacceptable risk of loss and damage to archaeological and historic assets.

Archaeological evaluation to be forwarded by post

7. PART 3 - ACTION REQUIRED PRIOR TO THE FIRST OCCUPATION OF DEVELOPMENT - ARCHAEOLOGICAL WORKS

No building shall be occupied until the archaeology evaluation, and if required the Written Scheme of Investigation, have been completed, submitted to and approved, in writing, by the Local Planning Authority. Furthermore, no building shall be occupied until analysis, publication and dissemination of results and archive deposition from the archaeology investigations as agreed under the Written Scheme of Investigation has taken place, unless an alternative agreed timetable or phasing for the provision of results is agreed in writing by the Local Planning Authority.

Reason - To safeguard archaeological assets within the approved development boundary from impacts relating to any groundworks associated with the development scheme and to ensure the proper and timely investigation, recording, reporting and presentation of archaeological assets affected by this development.

Archaeological evaluation to be forwarded by post
