Good Morning,

Please see attached the application for assent under the Environmental Assessment Application and Form B to the Section 37 of the Electricity Act 1989 application.

Scottish and Southern Electricity Networks have been contracted to carry out works to Underground sections of our overhead network and to relocate a pole into land designated as a Site of Special Scientific Interest.

These works are being carried out at:

Hatts Cottage
Hazeley Heath
Basingstoke
Hampshire
RG27 8LT

The works are all being carried out on land registered to our customer, this includes the relocated Pole and Stay wire within the area designated as a SSSI. This Title Deed being shown Highlighted in GREEN on the attached Mapsearch.

Attached:

Section 37 Form B Application
Mapsearch showing our Customer Registered Land (Highlighted in GREEN).

We have gained the consent for the works from the Registered Landowner in the form of an Easement.

We have submitted the application under the habitat Regulations Assessment to Natural England for their assent.

Should you require any further information please contact me on the details below.

Kind regards

Mr Paul Roberts
Connections Consenting Officer
