Conclusion

I conclude that elements of the proposal to make changes are in part acceptable.

Consideration needs to be taken with regard to neighbouring amenity in reference to overlooking and overshadowing.

A bat survey by an ecologist needs to be carried out prior to the demolition of the existing single storey element to make room for the oak framed extension.

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
