Application for change of use of building
236 wrythe lane
carshalton
sm5 1TX

I am currently involved with asset management Sutton council to seal a contract to lease the above premises asset management details are listed below

We are looking at developing a new Boxing Club/Gym, focusing on the Fitness, health and wellbeing of the local community for all ages, eventually working alongside local schools and Pru's to help reengage students, that are at risk of entering NEET. We will have the opportunity to work on developing their confidence, respect and goals, also supporting young people with enhancing their self-esteem. Our Boxing Club will be open to all, from people wanting to just move more and get fit, to professional boxers wanting to achieve their dreams.
