

Revision:	Description:	Date:
PC.01	Issued for Information	09.01.24

Disclaimer: These areas are approximate. They relate to the likely areas of the building at the current state of design and using the stated option (eg. GEA) from the 6th edition of the RICS 'Code of measuring practice'. Any decision to be made on the basis of these predictions, whether as to project viability, pre letting, lease agreements or the like, should include due allowance for increases and decreases inherent in design development and tolerance during construction. The actual building may present anomalies in relation to survey / drawn plans of the existing site.

**NOTE NOT FOR CONSTRUCTION**  
 DO NOT SCALE - USE FIGURED DIMENSIONS ONLY.  
 ALL DIMENSIONS TO BE CHECKED ON SITE PRIOR TO CONSTRUCTION AND ANY DISCREPANCIES TO BE HIGHLIGHTED BY CONTRACTOR.  
 THIS DRAWING IS TO BE READ IN CONJUNCTION WITH ALL RELEVANT SPECIFICATIONS AND DRAWINGS.  
 ALL LEVELS ARE TO FINISHED LEVELS UNLESS OTHERWISE INDICATED.
