

3 The Avenue Design and Access

Proposed erection of a two storey side extension to the North East elevation and a three storey extension to the South West Elevation. Single storey rear extension with balcony above and a new roof to bridge the existing loft spaces.

This application covers several changes that we wish to make to the application 22/P/1096/FUH passed on 12 August 2022.

1. The basement level exterior to be finished in render,
2. All ground floor and above to be to rubble stone with Bath stone lintels, quoins etc. to match the existing,
3. Kitchen extension roof raised to line up internally
4. Ground floor South-West extension to be extended to full width.

Note that all South West facing windows above ground level are to be obscured
