

DO NOT SCALE

- NOTES**
- All private drainage works are to comply fully with Part H of the Building Regulations.
 - All existing invert levels to be checked by the contractor at the start of works and any other discrepancies notified to the Engineer prior to commencing works. All levels are based on topographical survey information provided by others.
 - It is the responsibility of the Contractor to verify all information given with regards to existing services and drainage connections etc. prior to commencing the works.
 - The Contractor shall adhere to the CDM Regulations at all times.
 - Only trained personnel shall be permitted to enter confined spaces.
 - All opening notices etc. as required under Highways Acts etc. are to be obtained prior to commencement of works. All works are to be inspected by L.A., NHBC, Shropshire Highways or as applicable.
 - Pipes have not been designed to accommodate construction traffic loading. The contractor is responsible for providing adequate protection to the pipes during construction.
