

Consultee: Observation of Arboricultural Officer

Dead and Dangerous Trees

Attention Jacob Stringer

APPLICATION NO: 24/00248/VD	WARD: Knowle
RECEIVED: 22 January 2024	FILE REFERENCE:
SITE ADDRESS: Arnos Vale Cemetery Bath Road Brislington Bristol BS4 3EW	PROPOSAL: 5 Day Notice: Goat Willow - Fell (dangerous).
AGENTS NAME:	CONSERVATION AREA:

Reply from: ARBORICULTURAL OFFICER

Ext No:

Date Sent: 23 January 2024

Date of Reply: 23 January 2024

OBSERVATIONS:

I have no objections to the proposal(s), subject to the conditions specified below:

Replacement Tree following felling of tree under 5-day notice:

A replacement tree of a species agreed with the Arboricultural Officer shall be planted within the first available planting season following the felling of the tree hereby approved. The tree should be a minimum 12-14cm girth and shall be planted in a suitable position within five metres of the original position of the removed tree in order to provide suitable replacement amenity value for the cemetery and surrounding areas. The tree is to be suitably protected, maintained and watered to ensure successful establishment.

Photographic evidence of the planting to be submitted to Bristol City Council Planning Department via email to: development.management@bristol.gov.uk clearly stating application No 24/00248/VD

If the newly planted tree dies or fails to establish it will be replaced with a tree of the same species and specification until it is properly established and reaches a girth of 30cms.

Reason - To ensure the character of the conservation area is retained and that trees of value, which contribute to the character of the area, are successfully established.
