

DRAWINGS NOT TO BE SCALED FROM - ONLY USE DIMENSIONS INDICATED

Existing drainage to be checked before construction commences and Architect informed of discrepancies from plans.

Contractors must check all dimensions on site and discrepancies to be reported immediately to the Architect before proceeding.

Assumed direction of joists marked on plan. Contractor must inspect the building prior to site start and inform Architect of any discrepancies prior to site start.

All new timber sizes to be checked and approved by building control prior to site start.

Existing access used for the new converted garage space.

Existing driveway to be used for the main barn house.

Existing gate to be used for access to the property with parking to the front.
