Details of the pre-application advice received

I attended a Parish Council meeting to discuss the proposal of purchasing land from APS Homes and changing the use from agricultural land to garden use. I explained that we would be looking to turf the areas and recreate a new boundary using exactly the same boundary treatments (low level wire fence and post) with possible shrub and tree planting. Both the Parish Council and Rich Wilsher stated that they have no opposition to us doing this and would back the application.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
