Retrospective Planning Permission  
for Hair Salon at Boetho Farm

I am writing in support of the above application as I believe it provides an essential service for the clients of 'Neil Joseph'.

During the covid period I, as a vulnerable person, gained great comfort from not having to travel into & through Combskirk. 'The Salon in the bairy' provided an atmosphere of comfort & safety.

Later on the demolition of the car park at Combskirk Bus Station made life very difficult as I cannot walk very far.

Altogether the Boetho Farm Salon

has provided a hairdresser's haven  
from the stresses & strains of  
the transmission of covid & the  
crowds in Comskint.

Yours faithfully
