Subject: 20 Armadale road Chichester

Dear sir or madam,

on behalf of the owners ; mr & mrs C. Jones we have been asked to issue amended drawings of the self contained annexe. The changes have been made to allow for site constraints not known at the time of survey. The building footprint has been reduced slightly adjacent the boundary with no. 22. We have removed a patio door and added a door to a rear courtyard area. We trust the above and attached plans are self explanatory and await your confirmation and approval
