

## **Planning Statement**

**Jax Folly Warly Street Brentwood 24/00033/FUL**

**Erection of two steel buildings to be used for storage. The first to store Classic Cars , car trailer and Garden machinery ie sit on lawn mower and fork lift truck currently outside. The second to store fire wood and saw dust briquettes for our own use in our home our fire place and multi fuel stoves. Both the fire wood and Briquettes are recycled by product (beech wood) from the manufacture of furniture frames made in Hainault.**

**The Oak framed Garage is for our own cars for security and in keeping with the style of the house.**
