Details of the pre-application advice received	
The pre-application had concerns over the size of the proposed extension, and the designs have therefore been reduced.	
There were potential concerns over blocking light to neighbours windows, and the site visit will confirm that there are no windows on that wall of the neighbour's house.	
The form of the proposal was also mentioned, with particular reference to the cat slide roof adding a new roof type was seen as problematic. However, the low eave matches some of the existing eaves viewed from the rear of the property and the proposed dormer echoes the gables. Thre roof is in keeping when viewed from the front. The design allows access to the proposed utility room from the existing kitchen through an existing side door. A simple gable extension was suggested, which would not adjoin the proposed utility room to the existing kitchen, and would necessitate a new access door from the existing living room to the proposed utility room.	
Authority Employee/Member	
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member	
It is an important principle of decision-making that the process is open and transparent.	
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.	
Do any of the above statements apply?	
○ Yes② No

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? Yes No
