

Proposed external and signage scheme – 77 High Street, Dalkeith, EH22 1JA

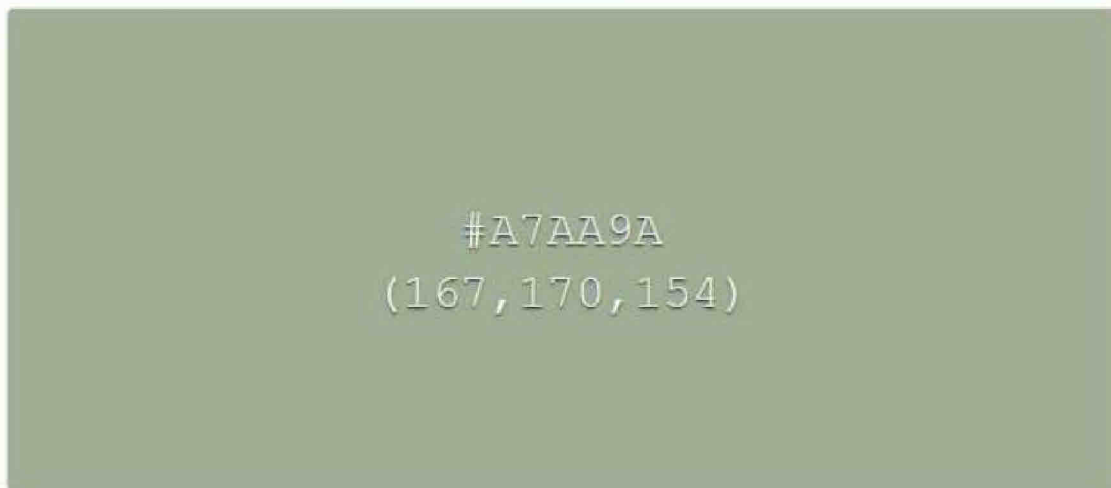

I am in the process of taking on a lease at 77 High Street, Dalkeith which is currently a jewellery shop. I aim to continue to use the premises as a jewellery shop with a slightly different retail offer.

The signage has been created by McGregor Signs based in Dalkeith and below is the proposal.

The background colour for the sign [wooden board] will be different to the above however and I propose to use a more green based colour as below.

#a7aa9a Color Hex

I also propose to paint the masonry this same green colour.

The same materials which are currently in place for the shop signage are a like for like to the materials used for the new signage for Artisan.
