Details of the pre-application advice received

"I've spoken to the case officer who originally dealt with the application who has replied with the following advice –

'Provided that the description of proposed works is not changing, then the changes could be made under a Variation of Conditions Planning Application. Alternatively, the applicant's may be eligible for a 'free go' by submitting a planning application within 12 months of the date of the grant of planning permission'

If the wall to be removed is historic (sorry I can't quite remember from my previous visit) then unfortunately we wouldn't be able to support this element. I believe we accepted to window to right to be altered to a door as there was existing intervention. If this is the same case with the window to the left then it may be acceptable, however we would need to evidence of intervention. "
