Dear Matthew,

Apologies for the delay. There has been additional discussion with my Manager about the best way to proceed for your proposal and if it would in principle be acceptable (and if / what applications would be required).

We will get back to you as soon as possible. I note the submission of 23/02804/HOU, and I would recommend not proceeding with this right now, until the relevant advice has been received.

I will give you a call, later this week/early next week, in advance of a written response if necessary.

Apologies for the delay, and I will come back to you as soon as possible.

Kind regards

Claire
