

Oak Cottage (Annexe ) New Front Door Proposal

Stocks Lane

Leigh On Mendip

BA3 5QF

This is not a planned development , this is a replacement door which is no longer fit for purpose with a like for like in the existing doorway.

No structural or aesthetic difference.

We wish to recreate exactly the look that we currently have ie. An arched wooden door but give the door a top part opening (like a stable door) but retaining the arched shape.

My 90 year old mother currently lives in the annexe and is struggling to open the door as it is no longer fit for purpose as it is very warped and non repairable.

Our intention is to retain the current look but with a working door.
