Dear Ms Howard

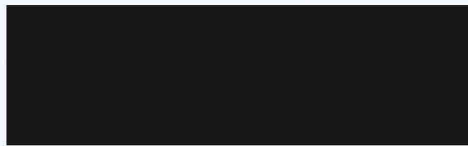

PROPOSAL: Alteration to existing vehicular access

Further to your letter of 19 January I enclose 4 copies of a 1:500 block plan to show the property and adjoining properties to the north. There are no properties on the southern boundary or opposite on the other side of the road.

With reference to the Tree Preservation Order I also enclose a copy of a section of a planning application from 1983 when the hall was extended which includes the removal of the tree nearest the hall. On the block plan I have shown the existing trees. The circled crosses are what I believe to be the TPO trees and the other crosses show the positions of the other trees along the western boundary. As I said in my email to you of 22 January none of the trees are within the hall grounds but on the roadside verge.

Payment of £293 has been made by BACS.

Yours sincerely

Janet Harrison (Mrs)
