Please indicate why you are applying for a lawful development certificate

- An existing use
 Existing building works
 An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The land, previously part of the curtilage of Chapel Cottage, has been used for residential purposes for more than 10 years. The previous owner of the site lived and worked in the existing building and used it as his dwelling. This application seeks to confirm the use of the land as a dwelling Class C3.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- The use began more than 10 years before the date of this application
- The use, building works or activity in breach of condition began more than 10 years before the date of this application
- The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- The use as a single dwelling house began more than four years before the date of this application
- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- Yes
- No

Please state why a Lawful Development Certificate should be granted

The land, as demonstrated in the information submitted in support of this application, has had a residential use for more than 10 years. Prior to the purchase of the land by the existing owner (the applicant), the previous owner lived and worked from the existing building on the site. Therefore the land should be recognised as having Class C3 dwelling use. Please refer to the supporting statement for details.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
