For the attention of Planning Department

Good Afternoon

As you can see below I have tried to report a Horse Chestnut tree which we have issues with at the moment and I have been asked to forward to Planning Department.

I hope this will be suitable.

Kind regards

Dee Thornton

Dear Mrs Thornton,

Thank you for your email.

If you are having issues with the online application process, you can email or write to our planning department at the Town Hall, St Nicholas Street, Scarborough, YO11 2HG describing the works you wish to carry out.

No work should be undertaken in the meantime.

Hope this helps.

Regards,

Alan Tomlinson

Good Afternoon Mr Tomlinson

I have tried to find the correct form on the Planning Portal but was unable to source this and I have

Reverted to replying to you which I hope will be okay.

I have a Horse Chestnut tree on my property which you can see from Back Lane, Flixton. This tree has been dying, we think for the last three years and since October has lost four of its branches which some have dropped in our garden narrowly missing our parked van and the other landed next to the snicket on the Wolds Way access from Main Street.

I am concerned now that this is a lost cause as another looks to be ready to shed and I don't know if I require permission to have this tree completely removed but not sure if its protected and require some advice if you able to help.

My address is:

Wheatlands

Main Street

Flixton

Scarborough

YO11 3UB

I hope this information will be suitable on this format.

Kind regards

Dee Thornton

Dear Mrs Thornton,

Thank you for your enquiry.

As your property is within the Conservation Area, you will need to submit a conservation area notice to the planning department. This can be found on the planning portal. Just populate the form and submit. There is no fee involved.

Thank you once again.

Sincerely,

Alan Tomlinson
