

Image 1,2 & 3: Show the rear view of No. 3 Windmill Street from Sussex Street, partially obscured by other buildings, planting and a pergola in the rear garden of The Setting Sun Public House.

Image 4: Rear view of Windmill Street to show the amount and variety of large rear dormers present. Currently 17 out of the 29 houses on this side of the road have full width rear dormers.

Image 5: Rear of Windmill Street visible from Richmond Street showing large rear dormers.

Image 6: Aerial view of Windmill Street showing full depth dormers with flat roofs. Note the junctions with ridge tiles retained (as proposed).
