Dear Sirs

I refer to your letter of 15 January 2024 regarding the above application and I now attach pdf's of amended drawings including a roof plan for the single storey rear projection of the property.

I can also confirm that I am happy to shorten the proposal description to the following:-

'Alterations and repairs to the existing building and installation of Solar PV panels'

I look forward to receiving confirmation of registration of the application.

Regards

Tim Goodwin
